PROFESSIONAL SUMMARY

Creative multimedia designer and visual storyteller focused on crafting high-impact digital experiences through video, motion graphics, and strategic content. Known for translating complex ideas into engaging narratives and delivering performance-driven creative solutions for brands, startups, and global clients.

WORK EXPERIENCE

Senior Designer | Group Bayport

March 2025-present

- Collaborating with international clients to deliver high-quality design solutions, consistently meeting requirements and deadlines with accuracy and professionalism.
- Maintaining strong performance and reliability in delivering quality work.

Creative Idea Head | Neurogen

October 2024 - March 2025

- Directed creative concepts and visual storytelling for marketing campaigns.
- Developed and executed a content strategy that drove organic social media growth, strengthening brand visibility and engagement.

Content Developer & Motion Graphic Designer | SpeakX AI -English Learning App

June 2024 - August 2024

- Created promotional and product videos for SpeakX AI, simplifying features and enhancing user engagement. Produced in-app instructional content to improve user experience, collaborating with marketing and development teams for brand alignment.

Content Developer & Editor | Freelance

- Designed and edited digital content with supporting graphics, enhancing brand identity and user engagement.
- Structured visual narratives to simplify complex information and deliver clear, engaging content aligned with audience needs.

CREATIVE PROJECTS

Product Video 🔗

- Developed promotional and marketing videos for an AI-based English learning platform, focusing on engaging storytelling and product explanation through motion graphics and animation.

Salaah Group of Startups – Podcast Production 🔗

- Created and edited podcast episodes, managing video editing, audio enhancement, and visual presentation for startup-focused discussions.

Instagram Growth (100K+ Followers) 🔗

- Scaled Neurogen's Instagram to 100K+ organic followers by producing high-engagement reels, short-form video content, and strategic social media campaigns
